You love us for our Pina Coladas and our Margaritas. Here are a couple thoughts about our food.

9.9 We use the best and freshest ingredients available (locally sourcing as much as possible). Limited processed ingredients are used and we choose to grill not fry the majority of our offerings. Sauces and specialty items are made fresh, tasted and quality checked daily. We buy natural grass fed beef and highest grade imported baby back ribs. Only locally and legally caught (not off the reef, in season and legal size) lobster, fish and shrimp are served at the Turned Turtle. And, our delicious coco bread is baked right here on the island and delivered fresh.

10.9 We hope you enjoy dining with us. If there is anything we can do to make your experience with us more enjoyable, or correct a problem, please let us know so we can make a difference right now.
